Professional Summary

Motivated undergraduate engineering student pursuing Artificial Intelligence and Machine Learning. Completed a Diploma in Computer Science Engineering with internship experience. Possesses basic-level proficiency in programming and strong interest in strengthening core fundamentals and applying them to real-world engineering problems.

Technical Skills

Programming Languages: Python , java

Core Concepts: Data Structures , DBMS

AI / ML: Machine Learning fundamentals, Basic Computer Vision

Web Technologies: HTML, CSS

Tools: Git, GitHub, Jupyter Notebook

Projects

Emotion-Based Music Recommendation System | *Python, Machine Learning, Computer Vision*

- Developed a system that recommends music based on detected facial emotions
- Implemented face detection using OpenCV and basic emotion classification logic
- Automated mood-based music selection to improve user experience

Jalachakra – Smart Water Management System | *Sustainability, System Design*

- Designed a smart water management concept to reduce water wastage
- Proposed real-time monitoring and alert-based usage optimization
- Focused on sustainable and data-driven water conservation practices

Internship Experience

Computer Science Intern

During Diploma

Academic / Industry Internship

- Completed internship as part of Diploma curriculum
- Worked on basic programming and software development tasks
- Gained exposure to real-world development workflow and debugging

Conferences / Technical Activities

National Level Technical Paper Submission

Vijaya Vittala Institute of Technology, Bengaluru — May 2025

- Submitted a manuscript titled “AI-Powered Personalized Fitness: Image-Based Fat Analysis & Age-Adaptive Exercise Recommendations”
- Participated in a national conference on Innovative and Emerging Trends in Computing and Communication
- Received official certificate of participation (IEEE / IETE)

Education

RNS Institute of Technology, Bengaluru

2024 – Present

B.E. - Artificial Intelligence & Machine Learning

CGPA: 7.9

Siddaganga Polytechnic, Tumkur

2021 – 2024

Diploma - Computer Science Engineering

CGPA: 8.4

Kids International School, Tumkur

2021

SSLC

Percentage: 80%
